

CASING-IN

Introducing our versatile Single-Person Operated Gluing Machine, designed to streamline your production process with ease and efficiency. With its user-friendly design, this machine can be operated by a single person, reducing labour costs and optimizing workflow efficiency.

Equipped with the capability to use cold vinyl glue, our machine offers flexibility in adhesive application, catering to various materials and production needs. Whether you're working with paper, cardboard, or other substrates, our machine ensures precise and consistent glue application for professional results.

For added convenience, the glue tank is easily detachable, allowing for quick and hassle-free cleaning, ensuring optimal performance and longevity of the machine. Experience convenience, versatility, and reliability with our Single-Person Operated Gluing Machine, an essential tool for your production needs.

Technical Data

| | | |
|------------------------|---------------------------|-------------------|
| Production | 5 to 8 books/min (Approx) | |
| Min. book format | mm | 100 x 90 |
| Max. book format | mm | 360 x 350 |
| Min. book thickness | mm | 5 |
| Max. book thickness | mm | 100 |
| Power | 1 HP, 3 Phase, 415 V | |
| Dimensions (L x W x H) | mm | 900 x 1700 x 1200 |
| Weight | kgs | 500 |

Features

- Easy operation that offers high performance
- Uniform adhesive application with three-roller format
- Auto-adjustability for any book format
- Can handle flexible covers and extremely small formats
- Manual book feeding
